Nova Southeastern University (NSU) has been actively supporting service members and their families for more than 45 years. NSU is committed to assisting students in taking advantage of their veteran educational benefits and providing them and their families with opportunities for educational and career growth.

Montgomery GI Bill®—Active Duty, Chapter 30

The Montgomery GI Bill®—Active Duty, also called MGIB, provides up to 36 months of education benefits to eligible veterans. Eligible veterans must have an honorable discharge and a high school diploma or have passed the GED. Benefit entitlement ends 10 years after separation from active duty. The U.S. Department of Veterans Affairs (VA) pays a monthly stipend based on the number of credits taken in an academic program.

Veteran Readiness and Employment—Chapter 31

Veteran Readiness and Employment is a VA program designed to assist veterans with service-connected disabilities to prepare for, find, and maintain employment. The VA will pay 100 percent tuition and fees, pay 100 percent for required books and supplies, and provide a living stipend. To qualify for this program, a veteran must be approved by a vocational rehabilitation counselor.

Post-9/11 GI Bill®—Chapter 33

The Post-9/11 GI Bill®, commonly referred to as Chapter 33, offers the following benefits:

- ◆ **tuition and fees**—up to annual entitlement
- ◆ **housing allowance**—based on several factors, including where you attend classes
- ◆ **funds for books and supplies**—up to \$1,000 a year

Detailed information on the Post-9/11 GI Bill® is available on the Department of Veterans Affairs website (va.gov).

Survivors' and Dependents' Educational Assistance Program—Chapter 35

The Survivors' and Dependents' Educational Assistance Program provides education and training opportunities to eligible dependents. The program offers up to 45 months of education benefits. The spouse, son, or daughter of a veteran must meet certain eligibility requirements. The VA pays a monthly stipend based on the number of credits taken in the academic program.

Montgomery GI Bill®—Selected Reserve, Chapter 1606

The Montgomery GI Bill®—Selected Reserve program may be available to veterans who are members of the selected reserve. The selected reserve includes the Army Reserve, Navy Reserve, Air Force Reserve, Marine Corps Reserve, Coast Guard Reserve, the Army National Guard, and the Air National Guard. Veterans may be entitled to receive up to 36 months of education benefits. Benefit entitlement ends 14 years from the date of eligibility for the program, or on the day the service member has left the selected reserve. The VA pays a monthly stipend based on the number of credits taken in the academic program.

NSU Yellow Ribbon Scholarship Program

NSU is proud to partner with the VA for the Yellow Ribbon Scholarship Program offered to students, which provides educational benefits as part of the GI Bill® Veteran Educational Assistance Act of 2008. Once students are granted acceptance into the program, they do not need to reapply each year. Funding may vary from year to year.

Under this program, NSU offers scholarships to veterans who qualify for the Post-9/11 GI Bill® and are eligible for increased benefits under the Yellow Ribbon Scholarship Program.

Detailed information on the NSU Yellow Ribbon Scholarship Program is available at nova.edu/financialaid/veterans/yellow_ribbon.html.
